Soft Skills:

- Problem Solving
 - Communication
 - Team Collaboration
 - Leadership
 - Time Management
 - Project Management
-

PROJECTS

MedEase – Healthcare Consultation Platform

Technologies: React, Tailwind CSS

- Developed a healthcare consultation platform that enables users to check symptoms, receive medication suggestions, and connect with pharmacists for guidance.
- Built responsive user interfaces using React and Tailwind CSS, ensuring a seamless experience across mobile, tablet, and desktop devices.
- Implemented reusable components and structured application architecture to improve scalability and maintainability.
- Focused on accessibility, intuitive navigation, and user-centered healthcare experiences.

Key Features:

- Symptom Checker
 - Medication Suggestions
 - Pharmacist Consultation
-

NaijaGuide – Interactive Nigerian Tourism Platform

Technologies: React, Tailwind CSS, Framer Motion

- Developed an interactive tourism platform showcasing Nigerian states, cultural landmarks, and tourist attractions.
- Created dynamic state-based experiences with unique visual themes and engaging user interactions.
- Integrated Framer Motion animations to improve navigation and user engagement.
- Optimized responsiveness across desktop, tablet, and mobile devices.

Key Features:

- State Directory
 - Tourist Attractions
 - Dynamic State Themes
-

LEADERSHIP EXPERIENCE

AIESEC in Akure | 2024 – 2025

Operations Manager

- Improved workflow coordination across organizational initiatives through structured planning and progress tracking.
- Supported successful project execution by managing operational processes and team communication.

Project Manager

- Coordinated project timelines, deliverables, and stakeholder communication to ensure successful outcomes.
- Prepared reports and tracked project performance to support informed decision-making.

Sales Manager

- Supported stakeholder engagement initiatives and maintained performance metrics for organizational growth.

Event Planner

- Organized and executed events while coordinating logistics, schedules, and team activities.

EDUCATION

Bachelor of Science (B.Sc.) Human Anatomy

Federal University of Technology, Akure
